

ART CONNECTIVE INC.
A NON PROFIT ART ORGANIZATION

CONNECTIVE

ANNUAL REPORT

JAN-DEC 2021

Dear Friends & Supporters of the Arts,

Welcome to our first Annual Report. This report will review 2021, our first partial year of being a non profit organization. As we reflect back on 2021 we can't help but feel gratitude to everyone who attended an opening reception, De Pere Art Walk, painting class, artist workshop, purchased artwork and so much more.

2021 was a year of many positive changes & accomplishments. The gallery became a non profit 501(c)(3) April of 2021. We hosted our first in person fundraiser in November, expanded in September of 2021 by adding a dedicated educational space located next to the back patio and updated our name to reflect our mission.

We are proud of what was accomplished in 2021 and couldn't have done it without your support of the visual arts. As we continue our mission of connecting, educating and exhibiting how we are sharing and growing the arts within our community.

Thank you for being a part of this journey.

With much appreciation,

Alexis Arnold - President & Artist

Alexis Arnold

MISSION

To offer a space for unrepresented artists to connect, learn, exhibit and teach, and by doing so providing a place for the community to gain appreciation of and inspiration from their works.

BOARD

BOARD OF DIRECTORS - working board with no paid staff

CLOSING THOUGHTS

I am proud of the accomplishments that were made in 2021. I think it is important to recognize all of this was achieved without a paid staff, without a dedicated set of volunteers & without sponsors. I hope my dedication to the arts shows thru my voice but more importantly thru my actions. Being able to offer artists & the community access to the arts is so important for our well-being both individually and as a whole.

Thank you for your continued support for Art Connective Inc and the fine arts. I am grateful for the opportunity to give back.

With gratitude,
Alexis Arnold - President and Artist
